

Medora Community Schools

Transition to 100% In-person Learning

Medora STEM Academy

- All students will return to in-person learning on February 22, 2021
- All students will attend in-person each school day
- Only students who are close contact will e-learn during the quarantine period

Medora Jr.-Sr. High

- All students will return to in-person learning on February 24, 2021
- All students will attend in-person each school day
- Only students who are close contact will e-learn during the quarantine period

The health and safety of our students is at the forefront of all decisions made by the MCSC administration. We believe the small class sizes at MCSC, social distancing and extended sanitizing procedures will allow students to return safely to school in order to receive quality in-person instruction.
